

## Our Story

Thank you for joining us at 2 Talls Pizzeria. We think of this as welcoming you into our home. Our family loves pizza! We are excited to share our unique style and passion with you. The youngest sibling has mastered our dough recipe. Dad is ecstatic to showcase the true Italian San Marzano tomato sauce base. The goal is to use local Idaho ingredients often - like the house blend sausage, local produce when available and the creamy cheese out of Jerome, ID.

Hope you enjoy!
